Welcome to the March E-Newsletter!!
As we said in our email on Tuesday, the biggest Awareness tool that we have in our fight for Awareness of Cyclic Vomiting Syndrome is YOU! You sure did not let us down, whether you shared a post, set up a Facebook Donation page, wore CVS International Day shirt your efforts made a difference.

Here are just some of the amazing things that happened that day:

- CVSA Facebook Posts shared and re-shared by not only you but by your friends and family.
- Over $1,500 in donations
- Congressional Proclamation
- CVS International Day T-Shirts worn by many

We are so grateful that the list goes on and on, and we know that none of this would have been possible without your support.

So Thank You from the CVSA Board of Directors, we may have a lot of work ahead of us but we know with your continued support we can get there!
I know month after month you see that we share this reminder about AmazonSmile, and some may even scroll past it at this point. But we wanted you to know that we are sharing it for a good reason.

We were notified that because of the AmazonSmile Program Activity from the period of October 1 through December 31, 2018 that CVSA is being issued a payment of $731.74. The amazing thing about this is that you didn't have to do anything extra, nor spend any additional money for CVSA to earn this money.

So if you haven't previously used AmazonSmile I’d like to ask that you give it a try, the shopping experience is the same, the only difference is that CVSA will earn a percentage of your total spent.

Thank you to all that set up fundraisers on Facebook with Facebook Donations!
